It's time to be real, it's just so late in the day
Fuck the bullshit
What you want us to know?
It's time to be real, it's just so late in the day
Fuck the bullshit
What you want us to know?
repeats in the background

We gonna go down Robby's
My man Little Rob
Rob what's your sentiments on it?
I mean you're inspiring, yaknow young man
Aspiring to be a next rapper

Well, I like rap, yaknow, but I just hate fonies

[Daddy-O]
Messin around, diggin in my crates
Lookin for some roughneck beats and breaks
Stumbled pon some SHNCECK they show on The Box
And I got kinda hot cause I like it, NOT!!
Finger flick the remote, over to BET
And it looks like the same videos to me
Daddy Rich, Daddy Snow, Daddy Kane, Mac Daddy
Daddy Mac, Daddy Wack, Daddy I.U., DAMN!
I'm gettin tired of all this Daddy SHLECK
DAMN! Put the beat back on
Messin around, diggin in my crates
I own a big CD collect but I support the vinyl plate
Break some in half, I throw the weak in the trash
I'm always keepin it real, when I dip into my rhyme
stash
COPY, somebody say COPY
Make like a Puerto Rican and I'ma punch you in your
eye, PAPI

scratching "Created a song with no bullshit in it"
scratching "Created a song with no bullshit in it"
C-Create, Created a song, with no bullsh...it in it
scratching "Created a song with no bullshit in it"
C-C-Cause we, Cause we just did it
Created a song with no bullshit in it
Cause.. we.. just.. did.. it
