The way u did me was plain out wrong.
I'm tha nicest chick u would ever meet
Yeah, the chickenheads throw tha pussy 2 u and buy u
shit
Pussy ain't everything
Once it's over, it's over
4 a while I felt bad about how u played me out
I used 2 watch u walk down tha street and say,
that used 2 be mine

In time, u got what u asked 4

When we broke up, I felt fucked up and sad

I'm surprised I wasn't mad
U called me and told me what happened

I wasn't surprised at all
I figured something like this would happen
A nigga can't go 2 a party and stay faithful
I felt kinda sad
Shit, nigga, I was something u never had, and never
will
U say u don't care if she cheat on u
U told me last night ya'll fucked till ya'll were black and
blue
I guess that's all u know how 2 do
But now that I'm on top, and callin' tha shots, u hatin'
on me cauze u wanna be in my shoes
U stay wit yo mama and u don't even help pay tha dues

Chorus

U a h-a-t-e-r

U a hater

U mad cauze I'm talkin' tha talk and walkin' tha walk
Shit, it ain't my fault

Every time I see u somewhere, I just look at u think, why
would u do such a thing
But then I woke up and remembered that u were a little
boy and still plays with toys

I'm way over u now
I got a new man and everything
Now I guess u see what I mean
2 me, money ain't a thing
All u ever wanted was tha bling bling and tha mean
green
None of that will ever happen cauze u 2 greedy and u
can't handle your own
Yo niggaz can't call u cauze u don't have a home phone

Chorus(3x)
