(Verse)

Boy, tell me what our love be,  
I always thought that we are heaven sent.  
You say that I don't have no patience,  
Well, you don't show appreciation.  
Remember how I made you feel?  
You're holding back to me, now what's the deal?  
It's like every day you want it,  
But I just wanna know what's in your head.

(Chorus)

I want to go back to what was real,  
Can't we just go back, baby, just real?  
I set it off tonight.  
I wanna go back to what was real,  
Can't we just go back, baby, just real?  
Can't we get it right?

Cause we don't are like we used to,  
Get it how we used to,  
Tell me what's the issue, baby, what do we do?  
You can do better, I can do better,  
Can we do better?  
Cause we don't are like we used to,  
Get it how we used to,  
Riding round the hood ain't cool like we used to,  
Baby, what do we do?  
Can we do better?

(Verse)

Oh, baby,  
I don't wanna keep repeating this, but you know is  
crazy  
How we both say the same things and nothing changes  
All this love we got in this world and we're acting  
shady,  
Babe, it just amazes me.

(Chorus)

I want to go back to what was real,  
Can't we just go back, baby, just real?

I set it off tonight.  
I wanna go back to what was real,  
Can't we just go back, baby, just real?  
Can't we get it right?

Cause we don't are like we used to,  
Get it how we used to,  
Tell me what's the issue, baby, what do we do?  
You can do better, I can do better,  
Can we do better?  
Cause we don't are like we used to,  
Get it how we used to,  
Riding round the hood ain't cool like we used to,  
Baby, what do we do?  
Can we do better?

(Bridge)  
Ladies, you're feeling what you made me  
Go ahead and bring it back  
Do you want your girl back  
Now go ahead and tell her that
