(Verse)

This I what I don't like, baby,  
You say something that always gets on to me.  
We argue then we go our separate ways,  
You come back like everything's the same.  
You always know a way to get to me,  
Whisper in my ear how much you want me  
Now how the hell can I stay mad, boy?  
Especially when you know just where to touch me.

(Chorus)

Cause your love is what I want,  
I try to be strong when it comes to you,  
You always bring me down, boy.  
Give me good love, you take it, cause it's yours,  
When the sun's set and done I come back for more.  
Cause you love me like you, love me like you, love me  
like you do  
Touch me like you, touch me like you, touch me like you  
do,  
I can't fight, no, baby, I can't fight, oh.  
My body said it, said it, said it  
Said it, said it, said it.

(Verse)

Don't you get to wondering if I really love you  
Boy, there ain't no question, you must be on some  
other.  
Forget about the rest, baby, you're the one I'm running  
with.  
Giving you real love, ain't no need for me to be counter  
fear.

(Pre-Chorus)

You know that I love you, you know that I need you,  
You know that I wanna, I wanna please you,  
And you know you're my honey  
And you be giving me the best words.

(Chorus)

Cause your love is what I want,

I try to be strong when it comes to you,  
You always bring me down, boy.  
Give me good love, you take it, cause it's yours,  
When the sun's set and done I come back for more.  
Cause you love me like you, love me like you, love me  
like you do  
Touch me like you, touch me like you, touch me like you  
do,  
I can't fight, no, baby, I can't fight, oh.  
My body said it, said it, said it  
Said it, said it, said it.

(Bridge)  
I love the way you love me,  
Baby, your love like honey.  
Give me all that I'm wanting,  
Let all your love rain on me.  
I love the way you love me,  
Baby, your love like honey,  
Give me all that I'm wanting,  
Let all your love rain on me.

(Chorus)  
Cause your love is what I want,  
I try to be strong when it comes to you,  
You always bring me down, boy.  
Give me good love, you take it, cause it's yours,  
When the sun's set and done I come back for more.  
Cause you love me like you, love me like you, love me  
like you do  
Touch me like you, touch me like you, touch me like you  
do,  
I can't fight, no, baby, I can't fight, oh.  
My body said it, said it, said it  
Said it, said it, said it.
