(Verse)

So you say that you're in love, but do you want as bad
as me?

I just wanna show you, baby, I can be all you need.
Whichever way you want it, boy, you can count on me
Know I'm that girl.

(Pre-Chorus)

You know I got it, babe,
In anytime, babe,
You know that I'd be nothing but a caught in way.
And don't be afraid to say when you be needing me
Don't let it pass you by.

(Chorus)

You know I ride for you, boy,
You know I ride for you, boy.
I know how you be feeling when you're lying next to me
And I be on the same, cause you give me what I need
So I, I, ain't no doubt about it.

(Verse)

I know what you want, baby, why you try to doubt it?
Told me blind to see what you got when you got it.
Whichever way you want it, boy, you can count on me,
Know I'm that girl.

(Pre-Chorus)

You know I got it, babe,
In anytime, babe,
You know that I'd be nothing but a caught in way.
And don't be afraid to say when you be needing me
Don't let it pass you by.

(Chorus)

You know I ride for you, boy,
You know I ride for you, boy.
I know how you be feeling when you're lying next to me
And I be on the same, cause you give me what I need
So I, I, ain't no doubt about it.

(Bridge)

You know, you know, you know I'll never leave you
You know, you know I'm always gonna hold you down,
down, baby,

I'm down like crazy.

You know, you know, like paper, I rock with you,

My love is guaranteed, I won't switch you

Down down, baby, I'm down like crazy.

(Chorus)

You know I ride for you, boy,

You know I ride for you, boy.

I know how you be feeling when you're lying next to me

And I be on the same, cause you give me what I need

So I, I, ain't no doubt about it.
