Dark Child, yes, yelling to the lite beat  
And it's B Dub and Tiffany  
And we are in the place to be  
And we came in to move your feet

And get things jumping like they're supposed to  
Teen magazines were jumping right out the posters  
Can't believe what you saying in lip gloss  
I know you can't believe she getting older

She's just a teen so how could she  
Really know what she wants?  
I can't believe you'd think I'd run  
And tell you're mean to me  
When it's really like she mean, ain't she?

I know just what you think  
You're so stuck in the past  
Like stone washed jeans  
And I can endorse anything through me  
I'm flyer then you'd ever thought I'd be

You wonder why I'm so cold  
You coulda been more involved but no  
I'm not the girl that you knew before  
I can't believe you didn't I'm grown

I'm grown now  
Certified and all that  
You say want you want  
You can't take a thing from me

I'm grown now  
(Oh)  
I, I, I'm grown now  
(I'm grown)

I'm grown now  
Got my own money  
You ain't gonna run me  
I ain't no dummy

I'm grown now  
(Yeah)  
I, I, I'm grown now  
(I'm grown)

I can't believe they tryna block me  
Just to playing them games I thought you'd be  
Up in my lead but no you can't compete  
Back up don't touch gotta give me 50 feet

'Cause I'm a on another level  
I'm bringing things to life like I'm Gapetto  
This is the last time that I'm gonna tell you  
I'm doing it big now, you wanna piece let it go

You wonder why I'm so cold  
You coulda been more involved but no  
I'm not the girl that you knew before  
I can't believe you didn't I'm grown

I'm grown now  
(Oh)  
I, I, I'm grown now  
(I'm grown)

I'm grown now  
Got my own money  
You ain't gonna run me  
I ain't no dummy

I'm grown now  
(Yeah)  
I, I, I'm grown now  
(I'm grown)

Aye, Tiff yo big brotha got you, it's happing  
You push one hand to the cloud then back to the wind  
Bow and Tiff Evans is back at it again  
Yea, ma, you grown go on and let you rims spin, yea

You got ya lil premiers  
These 50 lil days go head and let you paint drip  
(Drip)

Tell your parents don't trip  
And when ya girls go on ya lil trips  
It's your world, lil mama, it's your life to live

I'm not those girls your used to dating  
I gotta unique situation  
(I'll tell you the truth)

You can travel the world but you'll never find someone  
(That will take care of you)  
I'll have you open 'cause

I'm grown now  
(Oh)  
I, I, I'm grown now  
(I'm grown)

I'm grown now  
Got my own money  
You ain't gonna run me  
I ain't no dummy

I'm grown now  
(Yeah)  
I, I, I'm grown now  
(I'm grown)

I, I, I'm grown now
