*[Stacy Lattisaw cover]*

*[Verse 1:]*

Look at me  
I have fallen so in love with you  
Please don't leave  
Stay around  
Let me tell you all  
The things I feel  
Won't you please

*[Chorus:]*

Let me be your angel  
Let me be the one for you  
Let me be your angel  
Let me the one you believe in

*[Verse 2:]*

You might think  
I am much too young  
To understand

Don't be fooled  
Like a child  
I look into your eyes  
And know someday  
I'll make you mine

*[Chorus:]*

Let me be your angel  
Let me be the one for you  
Let me your angel angel  
Let me be the one you believe in

Let me be your angel  
Let me be the one for you  
Let me be your angel  
Let me be the one you believe in

Yeah oooohhhhhhhh
