(Verse)

You were the best at everything you do
You only come second in telling the truth.
Fast enough to catch a speeding train,
Wait up to set off a flame,
But when it comes to love, babe, you lose, you lose.

(Pre-Chorus)

Cause everytime I try to find a reason why
You just can't get it right for me.
You give me stupid lies, you make me wanna fly,
You count the less for me

(Chorus)

Cause I hate the way you're so good saving the day.
When it comes to me, you always come a second too late.
While our love's going up, up, up and away
You won't save this Lois Lane, you won't save this
Lois Lane.
You won't save this Lois Lane.

(Verse)

You're the smartest man that I know, yes, you are
The dumbest thing about you, though, is you have a
humble heart.
How could you leave me under? I was your back
woman, you pushed me down to my weakest
And baby, it's the last time, last time.

(Pre-Chorus)

Cause everytime I try to find a reason why
You just can't get it right for me.
You give me stupid lies, you make me wanna fly,
You count the less for me

(Chorus)

Cause I hate the way you're so good saving the day.
When it comes to me, you always come a second too late.
While our love's going up, up, up and away

You won't save this Lois Lane, you won't save this
Lois Lane.
You won't save this Lois Lane.

(Bridge)
You always leave me hanging, yeah
When I need you the most.
Solving everybody's problems,
Call a shot of your own.

(Chorus)
Cause I hate the way you're so good saving the day.
When it comes to me, you always come a second too
late.
While our love's going up, up, up and away
You won't save this Lois Lane, you won't save this
Lois Lane.
You won't save this Lois Lane
