(Verse)

What makes you feel like you have no one?
Wandering these streets like a mad woman.
You are here looking like you don't wanna try no more,
Girl, you don't like this life, yeah, you gotta try some
more.

(Pre-Chorus)

I don't know what, I don't know what I'm fighting for.
I don't know what, I don't know what I'm running for.
This is gotta be the end, the way I'm moving I ain't
winning,
Ain't winning, yeah.

(Chorus)

Cause I'm looking for love in the wrong place,
Wrong place, wrong place,
Tell me how do you heal the lonely, lonely?
I'm looking for love in the wrong place,
Wrong place, wrong place,
Do you have a heart for the broken, broken?

(Verse)

Looking for a pleasure in my sin
And not realizing every time I hit a dead end.
I'm all here looking like I don't wanna try no more
But I really don't want this like, tell me where do I go.

(Pre-Chorus)

I don't know what, I don't know what I'm fighting for.
I don't know what, I don't know what I'm running for.
This is gotta be the end, the way I'm moving I ain't
winning,
Ain't winning, yeah.

(Chorus)

Cause I'm looking for love in the wrong place,
Wrong place, wrong place,
Tell me how do you heal the lonely, lonely?
I'm looking for love in the wrong place,
Wrong place, wrong place,

Do you have a heart for the broken, broken?

(Bridge)

I'm looking for love,
Do you have a heart?
I'm looking for love,
Do you have a heart?

(Chorus)

Cause I'm looking for love in the wrong place,
Wrong place, wrong place,
Tell me how do you heal the lonely, lonely?
I'm looking for love in the wrong place,
Wrong place, wrong place,
Do you have a heart for the broken, broken?
