Promise you one thing
It's not gone be a pretty sight, that's real
Not at all homie

But I'm back, to put you niggas to shame
I'm the one and only, I do my dirt by my lonely
These niggas say they down, but I know they phony homies
I'm on my knees more, and got my pistol right beside me
These niggas talking down on my name, but never try me
Now how real is that, coming out the club

While y'all niggas was sober as fuck, I was out here
leaning
I brung my niggas that I'm coming back, with a
vengeance
And you ain't gonna need that do', I'm knocking it off
the hinges
I meant this, my hood and turf nigga I'm still defending
Cause if we winning I know we sinning, come on now
Cause if we winning I know we sinning, come on now

[Hook - 2x]
