[Verse 1]

Fuck them hoes that's them boys runnin' they
motherfuckin' cap
When I jump up out the dark I'm makin' bitches heart
collapse
And yes it's a fact I dress in black I won't be seen
I'll be tippin' through the darkness
strapped like Jap and to the extreme
If you bitches feel threatened by my presence speak yo
mind
I'm Mack Ramsey and it's a fact you need to know I'm
one of a kind
Killin' dumpin' jackin' bitches but when I die, I want yac
And I hope y'all got love cause I got love for thugs and
macks
You should trill what I'm speakin' if ya hear me feelin'
my love
When the shit get to jumpin' niggaz shakin' from them
double eye slugs
I still see it in my mind how they twitch and shake
I jump up sweatin' grippin' my sheets so I stay awake
I smoke chronic everyday but still a nigga trapped
By the voices and the sound when his backbone
snapped
But weak bitches claimin' killer make me dig a ditch
And demonstrate a brutal killin' wid a brutal click

[Hook]

We be creepin' up like guerillas, we killas
My real niggaz that mob wid a bustin' mask
Act a nut, when I grip shit
(4x)

[Verse 2]

Intentions to kill let me explain how I think and act
I respect what's real, and represent only thugs and
macks
I got love for the corner, it might sound strange but I
truly do
The corner was there for me so the corner is there for
you

You youngsters stay bout it
And stack yo cheese and don't trick for hoes
My bitch is like oxy vogues get me jacked I kick down
the door
So speak on Lil Ramsey, it make no difference my shit
legit
You hoes better understand I created this scandalous
click
It's Lil Ramsey from Magnolia,
