When I was young
I played for fun
Made up the words
Nobody heard
But now I see
All eyes on me
And suddenly
I'm in a dream

I got a feeling now
Everything's right somehow

Here I am
Being who I want
Giving what I got
Never a doubt now
Here I go
Burning like a spark
Light up the dark again

I'm stepping up
Right to the top
That's how I'm wired
I take it higher
I'm in control
I broke the mould
The girl you see
Is up to me

I'm lifting off the ground
Finding the perfect sound

Here I am
Being who I want
Giving what I got
Never a doubt now

Here I go
Burning like a spark
Light up the dark again
Again
Again
Again
Again and again and again

There's a star that's right inside you
So come on and let it out
Find out what you're about and just shout
"Here I Am"

Being who I want
Giving what I got
Never a doubt now
Here I go
Burning like a spark
Light up the dark again

Here I am
Being who I want
Giving what I got
Never a doubt now
Here I go
Burning like a spark
Light up the dark again

Here I am
Being who I want
Giving what I got
Never a doubt now
Here I go
Burning like a spark
Light up the dark again

Again
Again
Again
Again and again and again
Again
Again
Again

Again and again and again and again
Here we go
