Just cause I have your picture in my locker
Doesn't make you some kind of rocker
Bright blue eyes, tall, dark, and handsome
Makes my heart b-beat like a bass drum
Ooooooo
Yeah that is meant to be, been waiting patiently
Now baby can't you see
Ooooooo
Yeah I'm your future wife, we'll start a brand
new life

Boy you know just how to make me blush, make me
blush
And it can't be just another crush, another crush
I just wanna get next to you, next to you
And if you met me then you'd love me too, love me
too

And if two worlds could collide, I'd never wonder
why
You make me act like a wannabe, I wanna be
A little closer to you baby! I'm not crazy

c-c-c-c-c-c-crazyyyyyyyy c-c-c-c-c-crazyyyyyyy

Did you think that I'd forget
The time that you winked at me (there's something
in my eye)
Got all teary eyed cause you wanted me
Baby, baby ooooo I read your horoscope
Says today you're gonna meet a Scor-pi-o
(that's me)
Ooooooo yeah this is meant to be
Been waiting patiently, now baby can't you see
Ooooooo yeah I'm your future wife we'll start a
brand new life
Boy you know just how to make me blush, make me
blush
And it can't be just another crush, another crush
I just wanna get next to you, next to you

And if you met me then you'd love me too, love me too

And if two worlds could collide, I'd never wonder why

You make me act like a wannabe, I wanna be
A little closer to you baby! I'm not crazy

I'm not crazy
I'm not crazy
I'm just crazy! for you

I'm not crazy
I'm not crazy
I'm just crazy! for you

Boy you know just how to make me blush, make me blush
And it can't be just another crush, another crush
I just wanna get next to you, next to you
And if you met me then you'd love me too, love me too..... crazy

And if two worlds could collide, I'd never wonder why

You make me act like a wannabe, I wanna be
A little closer to you baby! I'm not crazy

I'm not crazy
I'm not crazy
I'm just crazy! for you

I'm not crazy
I'm not crazy
I'm just crazy! for you
