Hey, so I,  
What's gonna be, a bullet or a paper cut?  
Don't trust what you gonna do to me  
Cause day by day I'm gonna switch it up.  
Is it just for fun?  
Is it you like to run in circles?  
Yeah, yeah gonna change my mind one more time,  
Her we go!

Chorus:  
I hate you, I love you,  
You make me scream, I want to  
Kiss you, hit you,  
I want to lie but tell the truth.  
And you and you pull me up  
I just wanna knock you down!  
I just wanna knock you down!  
Nothing in this world to do,  
Baby I just love to hate you!

Please stay, or go,  
Trying to hold myself together,  
The I come back home,  
I'm so confused; I never seem to know what to do.  
Is it just for fun?  
Is it you like to run in circles?  
Yeah, yeah gonna change my mind one more time,  
Her we go!

Chorus:  
I hate you, I love you,  
You make me scream, I want to  
Kiss you, hit you,  
I want to lie but tell the truth.  
And you and you pull me up,  
I just wanna knock you down!  
I just wanna knock you down!  
Nothing in this world to do,  
Baby I just love to hate you!

Can't cheer myself in a similar direction,  
You're like a drug, I need an intervention,  
Can't put an end to this, oh no,  
I just can't call it quit, oh no, oh no!  
How, oh, oh, yeah!

Chorus:

I hate you, I love you,  
You make me scream, I want to  
Kiss you, hit you,  
I want to lie but tell the truth.  
And you and you pull me up,  
I just wanna knock you down!  
I just wanna knock you down!  
Nothing in this world to do,  
Baby I just love to hate you!
