Stupid chosen blind ambition
Blowin' up the television
It's your life, a never ending video
Prada shoes and frappachinos
Gucci bags and valentino's
One hit wonders blarin' from the stereo

Why are you fascinated
I'll never be outdated
You think I'm less than perfect
But don't you know I'm more than enough

[Chorus]
You think you need the latest drama queen
Making a scene
An air brushed model on the silver screen
Why can't you see
I'm no average angel
I'm no average angel

I'm not in designer jeans
I don't need plastic surgery
And I don't really care who's in my own top 8
Won't trade my reality
For anything that's on TV
No, not for all the bling that's on the VMA's

I'm not an imitation
Knock off duplication
You think I'm less than perfect

But don't you know I'm more than enough

[Chorus]
You think you need the latest drama queen
Making a scene
An air brushed model on the silver screen
Why can't you see
I'm no average angel
I'm no average angel
I'm no average angel

I can't wait forever
Make it now or never
It's my precious time you're wasting
Chasing something that's not real

You think you need the latest drama queen
Making a scene
An air brushed model on the silver screen

[Chorus]
You think you need the latest drama queen
Making the scene
An air brushed model in a magazine
Why can't you see
I'm no average angel
I'm no average angel
I'm no average angel (why can't you see)
I'm no average angel
I'm no average angel
