It's Friday I'm alone  
just staring at the phone  
I bet you lost my number  
Sometimes you make me wonder

You might think that I'm ok  
It feels like I'm invisible  
You don't hear a word I say  
Guess I'm not invincible  
We can be anything anywhere that we wanna be  
(wanna be)  
Holding Hands at the dance to our favorite bands  
Can't You see it's meant to be  
(whoa, whoa) But You haven't asked me yet  
(whoa, whoa) But You haven't asked me yet

Every time I turn around  
You try to stare me down  
It's time I call your bluff  
I've finally had enough of...

You might think that I'm ok  
It feels like I'm invisible  
You don't hear a word I say  
Guess I'm not invincible  
We can be anything anywhere that we wanna be  
(wanna be)  
Holding Hands at the dance to our favorite bands

Can't You see it's meant to be  
(whoa, whoa) But You haven't asked me yet  
(whoa, whoa) But You haven't asked me yet

Don't you know that you're friends will laugh at  
Anything and everything  
What do you care don't you know that  
They're wanna-be's, wanna-be's

We can be anything anywhere that we wanna be  
But you haven't asked me yet  
Holding Hands at the dance to our favorite bands  
Can't you see

We can be anything anywhere that we wanna be  
(wanna be)  
Holding Hands at the dance to our fav'rite bands  
Can't You see it's meant to be  
(whoa, whoa) But You haven't asked me yet  
(whoa, whoa) But You haven't asked me yet  
(whoa, whoa) But You haven't asked me yet  
(whoa, whoa) But You haven't asked me yet
