Sammie:

Caught you by surprise
Strike Two
Right before your eyes

HaRdBaLL

(So So Def)

Lil Bow Wow:
When I step to the plate
The outfield gets back
Cuz they know i'm the over the wall type of dog
So many back to back kids
They call me "Little Sammy Sosa"
Double Bard dogs cause
All the posters
Ya'll know I don't roast ya when its time to Compete
On the field, on the court over any high beat
The break and you know it
When you see your clone
And right now thass all I see goin on
(Holla At Me)
Gametime, all I think about is bringin home the trophy
If your teams better than mine
You really gotta show me
Really gotta beat me
Really gotta trash talk
Mistreat me
And send my squad back home

Cuz I don't loose to much, Matter fact I ain't neva lost at
all
When I'm playin HaRdBaLL
So if you on the mound
And bout to pitch to me, undastand i'm like Griffey I
keep em' to the wall

Sammie:
Strike One
Caught you by surprise
Strike to
Right before your eyes
Strike Three
OoOoOo I got you out
Without a doubt I got you out

Strike One
Caught you by surprise

Right before you eyes
Pitch Three
This Marks to the wall
Ain't no fun like a game of HaRdBaLL

Lil Zane:
