[Fingazz] Let me come back (Come back...) Bridge: [Lil' Rob] I want you (Back) I need you (Back) I love you (Girl) [Fingazz] Oh, oh, oh-oh, oh [Lil' Rob] I love you (Girl) I want you (Back) I need you (Back) [Fingazz] Oh, oh, oh-oh, oh (Let me come back) [Lil' Rob] I need you (Back) I love you (Girl) I want you (Back) [Fingazz] Girl, let me come back [Lil' Rob] I just can't (Can't) Go on (Go on) Without you (Girl) [Fingazz] Just let me come back [Lil' Rob {Fingazz in background}] (Verse 1) Got kicked out of my girl's pad, it's too bad I deserved that But I did I popped off at the mouth like a kid And I'd not think about the consequences of how it would make her feel And why I made her feel like that, when she loves me for real For real, that's the right deal I love her, too But you could probably never tell By the way she was spoken to And the way that I treated her She don't need that Especially When she takes care of me When I'm needing her I need her now, she ain't around, I'm feeling down And I feel like I'm losing my mind We're together All the time, I can't stand the separation Why would I wanna cause her all this aggravation It's a frantic situation Now I'm waitin' and I'm wishin' Hopin' that she'd give me a call I keep on thinking that my phone is ringing, who am I kidding It isn't ringing at all Yeah {Just let me come back...} Chorus: Fingazz Baby, I'm sorry Didn't mean to hurt you It'll never happen again (No) I know I said the same thing last time But now I'm askin', "Will you give me one last try" Let me come back now Oh, oh, oh-oh, oh Oh, oh, oh-oh, oh Girl, let me come back now Oh, oh, oh-oh, oh Oh, oh, oh-oh, oh Just let me come back (Come back...) (Verse 2) She told me that I broke her heart, I know I said some things Lo siento I said a lot of things I didn't mean I was mean and cold hearted My heart's been broken since we parted She set me straight on April 14, 2008 And I'm a fly straight... Like an arrow Because I love you, mija Yo te quiero... You're my chica Let me come back now I need to be, back in your life Like Right now I'm really feelin' the pain, this loneliness is a Bitch It's driving me insane (Insane) What did I do (What did I do) Look what I've done How could I do this to you,

when you're the one I realized and I apologized, hey
baby I just really wanna come back I love you so much
Yeah Just tell me you still love me back Take me back
{Just let me come back...} Repeat Chorus Repeat
