Tiffany-

What makes a miracle?

What makes a Christmas dream come true?

How can men in red

Now change the world I thought I knew?

Kermit-

How can there be miracles

If hearts are filled with doubt?

It's time to leave the doubt behind

And find out what life's about

Tiffany

I believe in a wondrous place

He calls the imagination

In his travelled world of hope and celebration

I believe...

Kermit-

In the miracle of love

Because (oh yes)

I believe in Santa Claus (I believe in Santa Claus)

Both

It's no easy feat on a city street

To touch your weary heart

But in my heart the dream begins

And the miracle we list out

Will start

I believe in a wondrous place

He calls the imagination

In his travelled world of hope and celebration

I believe in the miracle of love

Because oh yes

I believe in Santa Claus

In snow flakes, angels, sleigh bells ringing

Lights that twinkle, children and singing

Oh yeah

I believe in Santa Claus

OOoooh OOooh yeah
