Smith:

If I never knew you  
If I never felt this love  
I would have no inkling of  
How precious life can be  
And if I never held you  
I would never have a clue  
How at last I'd find in you  
The missing part of me  
In this world so full of fear  
Full of rage and lies  
I can see the truth so clear  
In your eyes  
So dry your eyes  
And I'm so grateful to you  
I'd have lived my whole life through  
Lost forever  
If I never knew you

Pocahontas:

If I never knew you  
I'd be safe but half as real  
Never knowing I could feel  
A love so strong and true  
I'm so grateful to you  
I'd have lived my whole life through  
Lost forever  
If I never knew you

Smith:

I thought our love would be so beautiful

Pocahontas:

Somehow we made the whole world bright

Both:

I never knew that fear and hate could be so strong  
All they'd leave us where these whispers in the night  
But still my heart is singing  
We were right

Pocahontas:

If I never knew you  
If I never knew this love  
I would have no inkling of  
How precious life can be

Smith:

There's no moment I regret  
Since the moment that we met  
If our time has gone too fast  
I've lived at last...

Both:

I thought our love would be so beautiful  
Somehow we'd make the whole world bright

Pocahontas:

I thought our love would be so beautiful  
We'd turn the darkness into light

Both:

And still my heart is singing  
We were right

Smith:

We were right  
And If I never knew you  
I'd have lived my whole life through

Pocahontas:

Empty as the sky

Both:

Never knowing why  
Lost forever  
If I never knew you
