Oooohhh, Mmm

Oooooohh, Mmm

Like a sunset on a hot summer night  
Like makin' up after our first big fight  
Wind swept hair when the moons just right  
Ooh, you're a perfect sight

Come on, baby, let me take that wheel  
I'm ready to show you how I feel  
If what I'm dreamin' might be real  
Then I don't wanna waste time  
I just wanna make you mine

Sure feels like love  
Sure feels like the right thing baby  
Ain't got no if's, no ands, no doubts, no maybes  
Well I knew at once when I looked in your eyes  
I had the answer before you said goodnight, love  
Sure feels like love tonight

You're oh so sweet, just my luck  
Like an extra marshmallow in my cocoa cup  
Oh no, I can never get enough  
I wonder if you realise

Don't need a crown to be my King  
You're already my everything  
The words I write and the songs I sing  
The lullaby here inside  
The melody I can't deny

It sure feels like love  
Sure feels like the right thing baby  
Ain't got no if's, no ands, no doubts, no maybes  
Well I knew at once when I looked in your eyes  
And I had the answer before you said goodnight, love  
Sure feels like love tonight

My whole worlds turnin' upside down

Standin' still on a Merry-go-round

Sure feels like love

Sure feels like the right thing baby

Ain't got no if's, no ands, no doubts, no maybes

Well I knew at once when I looked in your eyes

And I had the answer before you said goodnight, love

(It sure feels like love

Sure feels like the right thing baby)

(It sure feels like love

Sure feels like the right thing baby)

It sure feels like love tonight

It sure feels like love
