My body was sleeping
Sleep was a lie
Grab hold of my body
I will rise, rise, rise

My heart was heavy
Hungry and tired
Oh, but you're touch has made it
Fly, fly, fly

I am your tambourine
I am your tambourine
Shake me with your love
Shake me with your love
Shake me with your love song

Rattle me darling
Way down inside
Fill me with rhythm
So fine, fine, fine

I am your tambourine
I am your tambourine
Shake me with your love
Shake me with your love
Shake me with your love, tonight

I can't keep quiet
Oh, I can't hide
I want to shout in singing
And shine, shine, shine

I am your tambourine
I am your tambourine
Shake me with your love
Shake me with your love
Shake me with your love, tonight

I am your tambourine
I am your tambourine
I am your tambourine

Shake it, shake it, shake it, shake it
Tambourine, shake it, tambourine, shake it
