I don't want to talk to nobody  
Don't want to make no plans  
I'm so tired of this party  
I've had all my laughs

I'll send you somethin' when I cross over  
Somethin' when I cross over  
I'll send you somethin' when I cross over  
When I'm where I'm goin'

I get in a good mood just thinkin' 'bout  
All those streets I've never seen  
Nobody askin' me for nothin'  
Nobody angry with me

I'll send you somethin' when I cross over  
Somethin' when I cross over  
I'll send you somethin' when I cross over  
When I'm where I'm goin'

Not even gonna take my Pontiac  
What do I need it for?  
Not gonna run away from nothin'  
I won't be tangled up no more

I'll send you somethin' when I cross over  
Somethin' when I cross over  
I'll send you somethin' when I cross over

Seems like a woman in the mornin'  
Oughta have nothin' to worry about  
Sit down and have a cup of coffee  
Hum a little while, think out loud

I'm not gonna hang up any pictures  
No numbers taped to the wall  
Suitcase gonna get a little lighter  
I'm gonna unpack all alone

I'll send you somethin' when I cross over  
Somethin' when I cross over  
I'll send you somethin' when I cross over

When I'm where I'm goin'
