We were on fire, each one in flames
That fire's put out, those feelings drained
Don't know what happened, but it's all changed
It, it hurts me
It, it, it hurts me

I guess this young love it's not no more
Been touching ceilings, now I'm on the floor
I took you in, now you're out the door
It, it hurts me
It, it, it hurts me

I, I always knew there'd be tears from the start
I knew that in time we would part
But still you own a piece of my heart
Of my heart

Nobody knows love like we knew love
Best time of love and now it's crying doves
We used to soar, now I lay in blood
It, it hurts me
It, it, it hurts me

I saw it coming, I saw the pain
I felt the sun, but I knew it'd rain
Still I kept going, go insane
It, it hurts me
It, it, it hurts me

I, I always knew there'd be tears from the start
I knew that in time we would part
But still you own a piece of my heart
Of my heart

Dying
I know it in my heart, now I live dying
I know it in my heart

I, I always knew there'd be tears from the start
I knew that in time we would part
But still you own a piece of my heart

Of my heart

It, it hurts me

It, it, it hurts me...
