Bitches try to stop me but keep gettin' popped  
One shot from my glock make yo' punk-ass drop  
When I'm on tha ryde I'm gonna make yo' momma cry  
You know you gon' die cuz I'm gettin' high  
You cowards just be talkin' I be spittin' that heat  
From the streets of Columbus, ain't no fuckin' thang  
sweet  
I done already told you that I ain't nothin' nice  
Fuck wit' me and you'll loose your life  
My mind is full of evil thoughts, murders and  
homicides  
I'm gettin' high, livin' life like I'm gon' die  
Who can I trust to watch my back cuz life is a bitch  
You think he your friend untill he put you in a ditch  
Goddamn, I never knew my momma  
Even if I find her all I'll bring her is drama  
My mind's gone, I'm insane, this world got me goin'  
crazy  
I get on my knees at night and cry, "Somebody please  
take me"  
I can't handle this stress, I don't know what to do  
I know you hatin' me so fuck you too  
This school shit is worthless, to much time to spend  
I don't care how long I live we all die in tha end  
So, revenge is a must, bustin' hoez az I let go  
Can't trust no man, never know if he friend or foe  
So listen up when I speak these true words from the  
heart  
Cuz baby life's a bitch and it'll leave you in the dark

[Chorus-4x]

Life's a bitch, who do you trust, watch your back  
Revenge is a must, we all fucked, so stay strapped

Fuck tha world, I can't stand this hopeless Earth  
Nobody can save me, I been trapped since birth  
Momma wish she never had me couldn't handle the  
pain

All that dope and cocaine must've got to her brain  
Now my dad can't control me, he don't know what to do  
Sendin' me to jail, he already tried that too

Ain't no comin' back, only got one chance in life  
Keep fuckin' wit' me, you gon' die tonight  
I'm Lil Trip, you cowards should know who the fuck I be  
Fagget if you don't know, you better not step to me  
Cuz I don't give a fuck, I never gave a fuck  
Never will give a fuck, so your ass is shit outta luck  
Cuz my mind just clicks at the site of your blood  
I bet now you wiah that you never fucked with this thug  
So keep your eyes on your enemies and watch your  
friends  
You never know if your partner plottin' to do you in  
Don't tell your business cuz these bitches are rats  
Could be workin' for the FEDs, end up in jail just like  
that  
I wish I had a dollar everytime I puffed an L  
Cuz then I'd be rich in this hopeless hell  
But dreams are far away, reality is cold  
The way I live, won't see twenty-five-years-old  
So listen up when I speak these true words from the  
heart  
Cuz baby life's a bitch and it'll leave you in the dark

[Chorus-4x]

I shed my last tear when I found out I'm alive  
I live my life crazy as a child I wuz deprived  
Spendin' too much time tryin' to figure out why I'm here  
Ain't seen my momma for thirteen years  
They got me goin' mad, you could say that I'm crazy  
Turned on the news, somebody killed another baby  
What the fuck is wrong with this shit, I don't know  
There's supposed to be a heaven after here, I won't go  
Dear momma, please tell me what the fuck I'm  
supposed to do  
I spent so much time in my life tryin' to look for you  
My dad can't help me cuz he ain't there  
Take a look at my life and ask why I don't care  
I smoke so much weed tryin' to clear my mind  
If you want me, come get me, I ain't hard to find  
I bring it to 'em, don't stop, 'till them faggets don't talk  
Got you shakin', call the cops, cops come, cops drop  
Fuck the worlds what I scream on the muthafuckin'  
scene  
Afraid to sleep, I'm havin' murderous dreams  
Fantasies of my adversaries sendin' me to hell  
So I stay up all night and steady puff on an L  
Life's a bitch, who do you trust, watch your back  
Revenge is a must, we all fucked, so stay strapped  
So listen up when I speak these true words from the  
heart  
Cuz baby life's a bitch and it'll leave you in the dark

[Chorus-5x
