It's fucked up to think you used to be my dog, used to
be my man
Now you ain't there when I need a helping hand
You little snake bitch, I shoulda known to leave your
type alone
You fake muthafucka, you can't even take the time to
phone
I let you get so close, in so little of time
Guess it went right past my eyes, you wuz a bitch in
disguise
Always backin' down from fights, runnin' your mouth all
fuckin' night
For me to come and back you up, muthafuck that, I ain't
down wit' that
You come into my life then disappear like a house-rat
You said that we wuz dogs 4 life, what the fuck
happened to that,
u aint bout your fuckin' word, your fake-ass flew away
like a muthafuckin' bird

[Chorus-2x]

How the fuck didn't I see it, you wuz just a wannabe
Talkin' shit and startin' fights, then you wanna run to
me
But fuck that, you can't get no r-e-s-p-e-c-t
You weak muthafucka, better stay the fuck from 'round
me

So now you got a new friend, are you gonna use him?
Do the same thing to him and tell him you his best
friend
I cut you in my muthafuckin' dope game, you didn't pay
a damn thang
You freeloading bitch, gettin' free muthafuckin' green
Always actin' the shit up on the scene, "Let me sell it to
'em"
Bitch shut the fuck up, this is my dope, your lucky your
bitch-ass even gets to smoke
Now I'm startin' to wonder where the fuck them missing
bags went
It seems like everytime I counted the money it was

laggin' ten
Goddamn, now I put two and two together, you
snatched them
Then you start sellin', you can't even cut me in, you
little ho
I'm glad I let your ass go, I don't need to fuck wit' you
no mo'
You little snake bitch, actin' like you my muthafuckin'
friend
Using my hotel-parties to fuck your stankin' hoes in
Now you just a muthafuckin' strangr when I see you
You fagget-ass-bitch, I know I wouldn't wanna be you

[Chorus-2x]
