Ahhhhhh Bankroll

[Chorus: repeat 2X]

Ahhhhhh get money get money Bankroll

(Boy Backs)

You don't really wanna mess with the blue face
Big cars and a grand in a suitcase
Haters wanna hate cause they two-faced
Bankroll get cake dog too late
Little mama wanna shake like a earthquake
Drop them drawers
Lock them jaws
Flip on my ass like Dominique Doll
Show them that you represent the RAM Squad raw

You don't really want daddy-blue bucks
Spinnin in a blue truck
Linen with the blue Chucks
You don't really want big daddy
Creepin with the girl next store like Shaggy
You don't really wanna mess with Backs
You don't really wanna test the gat
Test the mack
Test the all-time rap villain in black
Where the hoes and the dough be at the (row??) be at

[Chorus: repeat 4X]

Ahhhhhh get money get money Bankroll
