(Johanna Demker)

I feel so all alone, I try to call but no one's home  
So I just listen to the raindrops on the vow  
Sound is loud and clear, a shy someone to be near  
And I ask myself as I often do

What do they mean by true love ?  
What do they mean by lightning from above ?  
What do they mean when it's right to be loved ?  
What do they mean by true love ?

Think of what we had, was it really all that bad ?  
What did we expect for love to hack and store ?  
Said we wanted more, so we'd left and close the door  
Never think that you had what you were looking for

What do they mean by true love ?  
What do they mean by lightning from above ?  
What do they mean when it's right to be loved ?  
What do they mean by true love ?

I've been struck by lightning too, what's the deal in you  
?  
One day, wake up and find out how you really feel me...

It was always you, think all this time I knew  
Took a lighter pool but I guess that it's the clue

What do they mean by true love ?  
What do they mean by lightning from above ?  
What do they mean when it's right to be loved ?  
What do they mean ?  
What do they mean by true love ?  
What do they mean by lightning from above ?  
What do they mean when it's right to be loved ?  
What do they mean ?  
What do they mean by true love ?  
What do they mean by lightning from above ?  
What do they mean when it's right to be loved ?  
What do they mean ?
