Hard not to be so hard on myself
I'm tryin to learn to keep my money in check
I listen to my friends, when they say
It's destiny, It's meant to be this way,

I've found that they're right,
and now i see,
that all this time 'n i had the key,
so now I'm gonna roll like i got nothing but luck,
with a spring in my step, as i strut down the block
I see the boys stare n', I hear them talk

As far as i go, as far as i know
I've always got, a place called home,
I cross all the seas, It's fine by me,
cuz I'll never be,
far from home

My heart takes a hit, and then my heart hits back,
and each day i find comfort in the fact,
I listen to my friends when they say
man just relax, cuz it's a game,
I've found they're right,
and now i see,
I'm gonna have my fun
and what will be will be

Now I'm walking up the street
whistling this,
everythings in place
cuz I can't miss
I smile at my girls n', blow em a kiss

As far as i go, as far as i know
I've always got, a place called home,
I cross all the seas, It's fine by me,
cuz I'll never be,
far from home

As far as i go, as far as i know
I've always got, a place called home,
I cross all the seas, It's fine by me,

cuz I'll never be,
far from home

far from home
far from home
