Darkness on the city streets Violence in the air I can  
feel the animals looking at me But I'm a tiger and I  
have no fear I'm a big cat I don't fuck around I prowl  
the streets without a sound And the human jungle just  
brings us down... (I'm a tiger living in a zoo) Don't step  
on my tiger tail I'll rip your guts out, I don't care Out  
looking for a tigress In fishnet stockings and a rocking  
dress Playing games is not our style When the Tiger  
Army's on the prowl And the human world just brings  
us down... (I'm a tiger living in a zoo)
