Ooh, well I got a girl with a record machine  
When it comes to rockin' she's the queen  
We love to dance on a Saturday night  
All alone where I can hold her tight

But she lives on the twentieth floor uptown  
The elevator's broken down

So I walked one, two flight, three flight, four  
Five, six, seven flight, eight flight, more  
Up on the twelfth I'm started to drag  
Fifteenth floor, I'm a ready to sag  
Get to the top, I'm too tired to rock

When she calls me up on the telephone  
Say, come on over honey, I'm all alone  
I said, baby you're mighty sweet  
But I'm in bed with the achin' feet

This went on for a couple of days  
But I couldn't stay away

So I walked one, two flight, three flight, four  
Five, six, seven flight, eight flight, more  
Up on the twelfth I'm started to drag  
Fifteenth floor, I'm a ready to sag  
Get to the top, I'm too tired to rock

Well, they sent to Chicago for repairs  
Till it's a fixed I'm a usin' the stairs  
Hope they hurry up before it's too late  
I want my baby too much to wait

All this climbin' is a gettin' me down  
They'll find my corpse draped over a rail

But I climbed one, two flight, three flight four  
Five, six, seven flight, eight flight, more  
Up on the twelfth I'm started to drag  
Fifteenth floor, I'm a ready to sag  
Get to the top, I'm too tired to rock
