We live
And we die
And we're high
And we cry
And we learn
How to fly

Roll on and on and on
Like a river and a train
Like a tractor and the rain
Roll on and on and on
Like the spring and summer
Like the lightning and the thunder
Roll on and on and on
Roll on from dusk till dawn

Well, I flew
And I fell
On my knees
And I prayed
That I could learn
How to fly again

Roll on and on and on
Like a river and a train
Like a tractor and the rain
Roll on and on and on
Like the spring and summer
Like the lightning and the thunder
Roll on and on and on
Roll on from dusk till dawn

Roll on and on and on
Like a river and a train
Like a tractor and the rain
Roll on and on and on
Like the spring and summer
Like the lightning and the thunder
Roll on and on and on
Like a river and a train
Like a tractor and the rain

Roll on and on and on
Roll on from dusk till dawn
Roll on, roll on
