[Lil Wayne]

Young mula  
cash money mafia, (yea!)  
weed and syrup

[Lil Wayne]

It's weezy baby, (who?)  
Strapped like the navy, (what)  
Ridin' wit a half a brick strapped to her baby, (ok)  
I be getting money, run a lap if you lazy, (yea)  
Grand daddy purp got me trapped like mazes, (oww!)  
Bunch of diamond chains lookin' like a bunch of lasers  
(yea)  
Understand I'm sharper than a fuckin' hellraiser,  
(raiser)  
Bad yellow bitch on my sidekick pager  
You know it's goin' down like down goes Frazier, ya  
dig? (A!)  
Yes, and I be wit mid west chubby  
But I'm from the dirty, keep it dirty like I'm playin'  
rugby, (ha)  
Bitch ride me like a old school huffy, (what?)  
Let me see you work your mouth like a fuckin' guppie,  
(go head)  
My leather softer than brand new pair of hush puppies  
My top will leave if I decide to hit the punch button, (hit  
it)  
It's young weezy, how could I ever quit stuntin'?  
Get mad, I'ma get money

[Chorus 2x]

You getting' money? oh yea  
You got them hundreds? oh yea  
You roll around witcha pockets all chubby? oh yea  
You stay fly? oh yea  
You that guy? oh yea  
You that dude we can call for them pies? oh yea

[Juelz Santana]

A! Dipset  
Skull gang

Haha

[Juelz Santana]

Juelz baby

They see me and start cheerin

Rockstar like Santana Van Halen, yea

Burn em wit the nina

Hot head, nickname fever

Ya bitch, I Turner/Turn her like Tina, haha

Booty in the air, then I bump her like speakers

Then I get right back to puffin' my reefer, (A!)

Yes, yes I'm coke supplyin'

Best pitcher on the mound since Nolan Ryan, (ha)

I got that cheap blow

Heavyweight, I sell snow by the ski slope... come and  
get some

And the cars got engines like speed boats

Throw dough away like tickets to a free show, (uh)

You outside getting' re-poed, (whoa)

I'm bein' watched under the law, I'm rico (A!)

And all the chicks come to me for wood like Home  
Depot

I shine, you just a little star, you twinkle, (twinkle)

We make it rain for real, ya'll just sprinkle

We shut down ya hydrant, aight then (A!)

[Chorus]
