[Intro: Lil Wayne]

Young Money motherfuckers, uh-huh  
Thats right, I thought you knew, hahaha  
I'm a beast, east side  
I can let a beat come

[Verse 1: Lil Wayne]

Straight from the bottom its the Carter  
I give it to these bitch niggas like momma taught me  
One man with no weapon at war but I'm an army  
My flow is capturing attention, lieutenant your penny  
pention  
And they demolished that invention  
You better get your dollars up  
And guess what I was up  
I get my cheese like Mickey Mouse  
Or else you better Donald Duck  
Like a shootin range target I get all kind of bucks  
Be my shootin range target, nigga I got good luck  
Nigga bye bye good luck, got ya momma shook up  
Little bad ass nigga who thought Popeye wasnt tough  
I'm on that lala twist it up, I'm on that syrup slow it down  
And I like four freaks too and young choppers goin  
down  
About a marijuana field and I just smoke it down  
Big bad wolf yes, I just blow it down, no homo  
And to Holly Grove I will hold it down  
Like a circle of knives, I got the sharpest flow around  
Feel me

[Chorus]

I know, I-I-I know, I-I know, I-I-I know, I know  
I-I-I know, I Know they can't fuck with me  
Because I came to fuck the world  
I know, I-I-I know, I-I know, I-I-I know, (Fuck the world)  
I know, I-I-I know, I Know they can't fuck with me  
(Bitch I'm Mack Maine) Because I came to fuck the  
world

[Verse 2: Mack Maine]

I got the heart of a king blood of a slave  
Feel like I been here before  
my second time to the grave  
But its one life to live thats why I'm gettin paid  
off a flow thats priceless I just got it appraised  
Spit like I need a raise blaze as I gaze  
At the stars next to lord while the coppers at the porpit  
It make me sick to stomach thats why I rap  
Like a pregnant women I dont spit I vomit  
So pay homage me and Wayne two G's  
Like 20 Hundred and we keep the semi's blunted  
And we live like brothers from another  
So fuck with him and Mack gon react like you did me  
somethin  
Thats a hint to you Davids throwin shots to Giliath  
This the new testament where the victor is the giant  
So you should get your weight and lose the hate  
Remember males shouldn't be jealous thats a female  
trait  
Feel me

[Chorus]

I know, I-I-I know, I-I know, I-I-I know, I know  
I-I-I know, I Know they can't fuck with me  
Because I came to fuck the world  
I know, I-I-I know, I-I know, I-I-I know, (Fuck the world)  
I know, I-I-I know, I Know they can't fuck with me  
Because I came to fuck the world
