[Lil Wayne]

Good morning New York

Good afternoon New Orleans

Goodnight America

This is Young Money... Nikki Minage

[Nikki]

They don't make us, to break us, no I'm with the bakers

I'm gettin bread wit dread up in Jamaica

It's them young stunnas, Nikk and Lil Weezy

Nikk, I'm the chick that "Go Get It" like Jeezy

Fall back, cause I do this here

Step ya bars up or your through this year

Yup it's only right that the whole blocks there

Hopped out the air in the blue and white layer

I'm here, I'm lit, long hair - don't care

Steady starin at my ear, cause my ear on glare

Now it's now hard to fine me, top behind me

You be Harry Potter, and I'll be Hermione

I be early, I'm the girl they

Call The One, like I'm my first birthday

I'm in that Range Rov, honkin that Kango

That pussy red, cause it tastes like mango

[Hook: Nikki]

Can't stop, won't stop, reppin Young Money

And we... we get down and we... we get down

And we boyz o' boyz, they love me

(Chromed out eleven hundred)

Can't stop, won't stop, reppin Young Money

And we... we get down and we... we get down

And we...

[Lil Wayne]

Ya... dig

So I guess it's my turn

And I'ma go at niggaz heads like sideburns

Big phantom on the road, make a wide turn

Big light, green buds, is what I burn

Nikki, since I've been rappin, this is what I've learned

All these other niggaz pussy, like dry sperm

And I knock this shit out like Tom Hearn's
If it ain't about money, me no concern
A paper chaser, 'till my thigh burn
And never give a bitch, what I've earned
Fuck I look like?
I'm lookin' for a bitch that can fuck right, cook right
And if not, then left foot right
Foot get the steppin', yea bitch walk like...
And my hoes talk like "Hsshswash", and I just say
"Right"
We don't fuss fight, she is just.. just.. just right

[Hook: Nikki]
Can't stop, won't stop, reppin' Young Money (Ya
digggggggggg!?)
And we... we get down and we... we get down
And we boyz o' boyz they love
(Chromed out eleven hundred)
Can't stop, won't stop, reppin' Young Money
And we... we get down and we... we get down
And we...

[Lil Wayne]
I'm on tour, 'till my money's like the bus height
Ice lookin' bright, see me comin' like bus lights
Weezy!
