CATHEDRAL SONG

Tanita Tikaram

---

I saw from the cathedral  
You were watching me  
And I saw from the cathedral  
What I should be  
So take my lies  
And take my time  
'Cos all the others want to take my life  
And I watch, with an intent, basic  
It's the same for you  
You hold your hand  
And it's all fine --- laced and  
"What would you make me do?"  
So take my lies  
And take my time  
'Cos all the others want to take my life  
Serious for the winter time  
To wrench my soul  
Whole cotton, whole cotton ears  
But I know there must be  
Yes, I know there must be, Yes, I know there must be a  
place to go  
You saw me, from the cathedral  
Well I'm an ancient heart  
Yes, you saw me from the cathedral  
Well here we are just falling apart  
You catch me  
I am tired  
I want all that you are  
So take my lies  
And take my time  
'Cos all the others want to take my life
