If I - won't be - able
To hold - a good - conversation
If I - feel big - and ballooning
If I - turn up - today
If I - can't be - appreciated
I - won't be - 'preciated - at all
And if I - look - red - and - confusing
Well, I - am all - of the above
'Cos I've been
Feeding the witches
Feeding them straw
Feeding the witches
The witches
The witches
Who live next door
You'd think -
They'd have no milk, they'd
Have no honey
You'd think
They would prefer - petroleum
You'd think
They'd have rat's eyes
Not like Aunt Sally
Yeah - you'd think
They wouldn't smile - just like your mum
Since I've been
Feeding the witches
Feeding them straw
I am
Falling for witches
The witches
Who live next door
They live next door
They live next door
If - I - start wrong - too drunk - to continue
And - if I - can't shout
I can't do - things - I used to
I'll be
Feeding the witches
Feeding them straw
I'll be feeding the witches
The witches

Yeah, I'll be
Joining the witches
Feeding them straw, I'll be
Joining the witches
The witches who live next door
