Now - you can't tell me - well,
That you know too much
Well, that you know too much to let go
Now, I can't watch you
Be an
Easy vision
Well an
Easy vision
Lord I love the heaven's solo
I love the heaven so
I love the heaven know by now
That there is a place to
Now you can't tell me -well
I have lived too much
Well - I have lived too much, to know
Now you can't wash me
Like a simple reason
Well a
Simple reason
Lord I love the heaven's solo
I love the heaven so
I love the heaven know by now
That there is a place to
Now you can't tell me - well
I have dreamed enough
Well - I have dreamed enough to know
Now I can dream you
Like an easy vision
Well an
Easy vision
Lord I love the heaven's solo
I love the heaven so
I love the heaven know by now
That there is a place to
Mmmm Mmmm
Mmmm Mmmm
