Tikaram Tanita "The Way That I Want You"

Visit "The Way That I Want You" on MotoLyrics.com

We're not talking

I'm not talking sensibly enough

You know the soul of a man is many coloured

Soul of a man one to another

Wants you another day

I'm not wishing on a star

Talk

The soul of a man is many coloured

Soul of a man wants you another

Another day

>From the airport

To be by your side

>From a reading

And that's the one

That hurts my pride

>From the church yard

Into your trust

To the talk

That we must, we must rekindle

To the way I want you

To the way I don't want

Nothing from you

Nothing from you

Nothing from you

You know the soul of is man is many coloured

Soul of a man is many coloured

The soul of a man one to another

Want you another day
