[JD](Jagged Edge)  
(Oh...)  
Je y'all

[Lil Bow Wow](JD)  
Yo I'm looking for girls  
(Bow Wow)  
Girls that can give me puppy love  
Ya know?  
(He, he yeah)  
Yeah it's going down right here  
West coast rock on  
(Come on)  
East coast rock on  
(Come on)  
Dirty South rock on  
Yeah  
(Come on, come on, come on)

All young girls beware  
This pup's off the chains  
I'm gritty little something here  
Putting down pain  
Since I was six  
Running with the pound  
It's been going down  
I'm city to city, town to town  
They running up screaming my name  
Running up grabbing my chain  
Running up tryna get in the game  
I'm like ma don't get it twisted  
If we kick it get your bark on  
Hope to God you see me again, when I'm grown  
Type of playa but it ain't  
It just sounds like that  
Cause I'm just too young to get down like that  
(I agree)  
Hit the movies, hit the mall  
Then come out with big bags  
Next day do lunch then head Six Flags  
But it don't mean nothing

We're just having some fun  
Even though I may have told you on the ride  
You're the on  
I'm sorry little shorty  
I just gotta take that back  
Cause I'm just too young to get down like that  
So...

[Lil Bow Wow](Jagged Edge)  
(You can't hear me)  
Not a word that I be saying  
(Its plain to see)  
Girl I just be playing with you  
(Girl you and me, see it's just puppy love, oh)  
Bark on baby, bark on, bark on

(You can't hear me)  
Not a word that I be saying  
(Its plain to see)  
Girl I just be playing with you  
(Girl you and me, see it's just puppy love, oh)  
Bark on baby, bark on, bark on

[Lil Bow Wow]  
Even if you're three years older than me  
And caught yourself noticing me  
In my mind, set don't change  
I might up my game  
But the story that I tell 'em  
When I tell it, it remains the same  
You wouldn't believe how they be coming at me  
Steady, steady tryna throw something at me  
Like I'mma get happy  
Just because honey got her learner's permit  
Can come and scoop me after school  
Like I'm supposed to be on it  
Naw ain't no sippin' over here  
It's Big Pimpin' over here  
And I hope that I make myself clear  
That when it comes to honeys yo I got some minutes  
And I ain't tryna get serious till I'm up in my twenties  
It's just the paper that I'm after  
The drop with the top I'mma cop when I'm able  
And that's all that matters  
So if I told you something shorty  
I'm taking that back  
Cause I'm just too young to get down like that  
So...

[Lil Bow Wow](Jagged Edge)  
(You can't hear me)

Not a word that I be saying  
(Its plain to see)  
Girl I just be playing with you  
(Girl you and me, see it's just puppy love, oh)  
Bark on baby, bark on, bark on  
(repeat x 4)

You can't hear me  
It's plain to see  
Girl you and me  
See it's just puppy love, oh You can't hear me It's plain  
to see Girl you and me See it's just puppy love
