[P. Diddy]

Eh yo what's up playboy  
Yeah, now I'm out here in Milan  
I need you to come get wit' me aight?  
Yeah, I got something I need you to do  
Call up the rest of the crew  
I'll see you there

[Big Azz Ko]

Yo, I got the call from Sean he out in Milan  
Went to get the package, got there it was gone  
Hold on say word you got to be joking  
Don't worry about it dun I'm on the next thing smoking  
Hit Bristol up on the speed dial  
Yo these funny talking cats tryin' to do a nigga foul  
It's goin' down nigga round up the team  
Im'll head over here just to map out the scene  
Ship them things in route to climb walls  
Infrared vision ear plugs and all  
Digital surveillance linked with laptops  
Express mail it to me can't ???

[Bristol]

I'm splurtin' for certain Bris-pro working  
Searchin' dippin' curvin' breakin' clean outta virgin  
From servin' here Rob certain I'm burnin'  
On my way from Mt. Vernon  
Swervin' a stretch bourbon  
Identity of this man I look persian  
Hey yo we gotta get him  
I wanna know where they came from  
Or who sent them  
First nigga to find them better bend'em  
Cuz I just spoke to Polly Fontaine  
Shit ain't a game, and Sean feel the same  
So y'all niggas betta get on point

[P. Diddy]

Well it seems like our bad boys have themselves in a bit  
of a jam  
Seems like Bristol got his back up against the wall

Well let's see how Rob B-O handles this one  
Bad boys watch ya backs  
Watch ya backs bad boys

[Black Rob]

Yo, who the fuck is this pagin' me at eight forty six  
I'm hoppin' outta shorty whip  
I'm by the tel, across exxon by the shell  
Sense of urgency on the cell  
We gon' pick you up, when ya flight land  
We in a tight jam  
Me and Diddy fam sorta like his right hand  
I touch down like two-thirty  
If i was on you, your hoe's and them cowards Im'll do  
dirty  
Still a commssion and we all equal  
All lethal  
Caught'em doin' dirt to the wrong people  
It's the family affair, I'm here  
With all of me Im'll deal with this one accordingly  
Got the locations sittin' in the console pacin'  
Get bagged murder be the case and  
And I'm tired in jail  
Even though through the riots I prevailed  
Enjoyin' my freedom, got two kids as long as I feed'em  
I'm here for the fam thats there when I need'em

[Mark Curry]

Yo, uh uh uh, hello  
It gotta be the same cats  
I can tell by they strange acts  
When they mumble to each other  
Like Milan they run for cover  
New cuz this bitch that I fucked with  
One thought I loved her  
Seas debate the storm pull him the the surface  
That's a purpose  
One of these faces, make'em nervous  
Catch'em when they out for hamburgers  
Turn they whole lunch into a murder  
In a way all the rounds gon' be heard of  
This shits big, the first thing to catch to where PD is  
I'm on it, act like they want it  
Im'll bring the heat  
Just let me know the place we plan to meet  
And I'm in it sure as your heart beat

[Loon]

Yo I ain't really tryin' to duck no strays  
So watch what the fuck you say  
It's ya mouth that started the shit

Now you actin' all retarded and shit  
Dog I came to play my part and that's it  
We had a fullproof plan, all we need was the fam  
Ammunition, a van, two chicks and one extra man  
Two lincoln LS Sedans  
Fifteen hundred yards of saran  
And after the scam, we be out in Amsterdam  
Yo, call Sean in Milan  
Call Sean tell Sean we gone  
We'll meet him in Hong Kong  
With two chicks both they thongs on  
Mabe Ling and Kim Long  
Both of them dead wrong  
Two rich bitches the feds on

[P. Diddy]

Yeah, well it seems like brother Loon is out in Hong  
Kong  
He's found his self in a sticky icky icky situation  
But you know somethin' I have faith in the bad boys  
Bad boys bring it on home, bring it on home bad boys

[Kain]

Heh, I'm bout to do Santa Dimengo  
On a horse named Bingo  
A fugitive lookin' for Puff switchin' my lingo  
Stayin' at a hotel called the pink flamingo  
Callin' up MC from a cuatro cinco  
The set up, tryin' on my way to uniform  
Room service bumpin' Kain on the newest song  
Holdin' gats knowin' everything I do is wrong  
'Till I hi-jack the sky flyin' on a unicorn  
Downstairs with a bag of money and two clips  
Talkin' to Loons chicks wit' sombreros and toothpicks  
Sayin' they commit homicides for two bits  
And fuck for dough like I give two shifts  
Wildfire call from Hong Kong  
Hello (Loon: Yo Kain I just spotted Sean Jean)  
Hold up, some information was missing  
I just got the same page from Bris  
He told me he saw Sean and two chicks followed by  
four whips  
Somewhere in the Florida sticks  
It's a set up  
Tell the crew to keep their heads high  
I'm gonna flip if any one of my mens die  
We've been fucked somebody told us a bent-  
lie/Bentley (what?)  
Let's get back to the spot in NY  
Seven glocks P-S-P-O pops  
Hit both the hot locks

Let'em read it that Diddy is on them hot blocks  
So we sent two teams to rush both spots  
Ha yeah!  
Suited up ready to dumb out  
Thumbs out watch the motherfuckin' door with our  
guns out

[P. Diddy]  
Hey yo yo hold up stop the music man heh heh  
Y'all niggas is crazy I was only joking man  
I just wanted to see if my family was on point
