Ooooo-oooo

Put it on
And don't say a word
Put it on
The one that I prefer
Put it on
And stand before my eyes
Put it on
Please don't question why

Can you believe
Something so simple
Something so trivial
Makes me a happy girl
Can't you understand
Say you believe
Just how easy
It is to please me

Because when you learn
You'll know what makes the world turn

Put it on
I can feel so much
Put it on
I don't need to touch
Put it on
Here before my eyes
Put it on
Because you realise

And you believe
Something so worthless
Serves a purpose
It makes me a happy girl
Cause you understand
Say you believe
Just how easy
It is to please me

Because when you learn
You'll know what makes the world turn

Ooooooo ahhhh oooooo
Ooooooo ahhhh oooooo
Ooooooo ahhhh oooooo

Something so simple
Something so trivial
Makes me a happy girl
Can't you understand
Say you believe
Just how easy
It is to please me

Because when you learn
You'll know what makes the world
Because when you learn
You'll know what makes the world
Because when you learn
You'll know what makes the world turn
