So far-  
Or should I take it just a little farther  
So good-  
And if I think about it, it gets better  
I could get used to this  
I could get used to this  
I could get used to  
Feeling the way that I do  
So long-  
Or should I stay just a little longer  
So much  
For keeping it a secret  
I could get used to this  
I could get used to this  
I could get used to  
Feeling the way that I do  
Oh, all the times I told myself  
I could never fall in love  
Love is just too difficult  
Oh, too bad  
I'm only talking to myself about it  
So sad-  
I guess I'm going to have to live without  
I could get used to this  
I could get used to this  
I could get used to  
Feeling the way that I do  
I know, I know, I know how it goes  
Baby, will I get the chance?  
I could get used to  
Feeling the way that I do.
