[Lil' Eddie] Finally I see what people really mean when they say that love will blind you it happened to me and I'm so thankful for you baby since the day we met you changed my life around the sun is just a little brighter now the kind of joy you bring is oh so special to me baby I dont think I ever felt like this before I know that I never met no on like you I dont think I ever had a love so true I dont think I ever [Mario Winans] When you come around I cant help but to smile girl I gotta say I like your style say that you are down to be forever faithful to me since the day we met you changed my life around the sun is just a little brigther now the kind of joy you bring is oh so special to me baby, baby, BABY... [Lil' Eddie] I dont think I ever felt like this before I know that I never met no on like you I dont think I ever had a love so true I dont think I ever I dont think I ever felt like this before I know that I never met no on like you I dont think I ever had a love so true I dont think I ever I dont think I ever felt like this before I know that I never met no on like you I dont think I ever had a love so true I dont think I ever...
