[Lil' Flip Talking]

Smoke somethin\*coughing\*  
I mean you gotta get intoxicated  
if you wanna be a rock star  
It's Gates, Young Noble-Outlawz, Clover G's  
real talk, we got here

[Verse 1-Lil' Flip]

Come with me ma, let me show you how a gangsta do it  
this for the club but this gangsta music(oooh)  
I told valater fetch my car  
and hurry up but don't wreck my car  
let's go to Rosco's or M & M's-cause they got the best  
soul food  
my pinky ring lime green-my bracelet so blue  
the Coupe is so new-the roof is closed too  
I got ya back if any cat approach you  
cause when that liquor talkin they take it too far  
and you ain't know that old beef, cause new scars  
me and my crew stick together like velcrow  
that's cause we got more stripes then a shelltoe  
you smell dro-but hell no you can't hit it  
I don't care if you rap-so nigga don't spitt it  
that's when the valie came with my drop top  
the after party at my suite, now let's hit I-Hop  
bounce, bounce, bounce, bounce

(Chorus-Lil' Flip Repeat 2x)

Baby girl I'm a mack, you conversatin with a star  
my pistol on me but ya dude gotta walk to the car  
cause you know I wanna chill with you  
I'm on that Goose and a pill or two

[Verse 2-Young Noble]

Bein a straight G, ain't easy to be  
which one of ya'll leavin with me?  
it's easy to see, it's poppin where ever we stoppin  
get money it ain't even a option  
lil'mama I don't deal with the non sense  
you dealin with bosses  
so everything is business, no feelings involved in

bring ya crew to the street  
ma let me catch you slippin, I'ma put you to sleep  
I don't play them games, what's my name?  
it's Real Talk Entertainment-I ain't gotta explain  
this for the Macks out in Sac-all my playas in the back  
niggas ain't gotta flaw, you know they got stacks  
wrong nigga to run up on you lay flat  
whatever you thinkin it is-it ain't that  
baby whatever you drinkin tonight-I got that  
shawty whatever you drinkin tonight-I got that

(Chorus-Lil' Flip Repeat 2x)

[Verse 3-Lil' Flip]

I'm bout to throw a all white party like P Diddy  
it's goin down all night if you wanna come with me  
I gotta bag of that sticky, I got my canabis with me  
just take off ya Vickies, but don't leave me no hickies  
I'ma pull up my Dickies and we can get us a quickie  
while we listen to Fifty in the back of the Bentley  
I'm still packin a semi-my new Mac, in the Hemi  
when I'm back in the city, my Cadillac lookin pretty(ya  
dig)

(Chorus Till End)
