Oh yeah...uh huh...

Lost and all alone,
looking for a reason for being in this crazy world
Trying to go on
lookin for the answers to the questions,
There u were.
From the moment u appeared everything became so
clear.
I'm so glad you found me, boy.

Chorus:

I smile when I think about the way you turned my life
around.
I smile when I think about the happiness in you I've
found.
I'm so amazed at what your love has done.
And when I think the best is yet to come, I smile.

Wandering in the dark, lost in the confusion
I thought I was losin my mind for sure.
I searched w/ all my heart, lookin 4 direction
Somethin to believe in...
There u were
And you were reachin out 2 me, You were everything I
needed.
I'm so glad you found me, boy.

Chorus:

I smile when I think about the way you turned my life
around.
I smile when I think about the happiness in you I've
found.
I'm so amazed at what your love has done.
And when I think the best is yet to come, I smile.

Cause you've turned all my grey skies to the brightest
blue
My life's filled w/ sunshine and it's all because of u
All because of u

Oh yeah...

Chorus:

I smile when I think about the way you turned my life
around.

I smile when I think about the happiness in you I've
found.

I'm so amazed at what your love has done.

And when I think the best is yet to come, I smile.

Chorus:

I smile when I think about the way you turned my life
around.

I smile when I think about the happiness in you I've
found.

I'm so amazed at what your love has done.

And when I think the best is yet to come, I smile.

La la la, oooh...

Oooh, yeah
