Memories fade away
Dreaming of the day
I'll have you back again

Been a long, long time
Since Hollywood and Vine
Will you take me there again?

It's been three months
In these crowded rooms
Dreaming only
Of someday soon
When you'll come back to me
Refresh my memory

How to deal with life
Underneath the knife
Will you teach me how again?

We'll give it a try
Maybe find out why
We could go around again

It's been three months
In these crowded rooms
Dreaming only
Of someday soon
When you'll come back to me
Refresh my memory

Makeup hides the years
And laughter hides your tears
But how am I to blame?

Reveries paper thin
To hide your tiger skin
Will it all turn out the same?

It's been three months
In these crowded rooms
Dreaming only

Of someday soon
When you'll come back to me
Refresh my memory

My precious memory...
