Is this Heaven or
Is this Hell, and
Did I mention
As near as I can tell

There's love all around and
Love in the air, there's
Snow on the ground, catch these
Flakes in your hair

You're not home, and I'm
Wasting away
Dreaming alone on this
Sleep-In Sunday

Lend me your ear, I'll
Share this silence, and
Can you hear me
Over the sirens?

Tables have turned now and
Doors have opened, so
Have you learned yet our
Hearts aren't broken?

Here in the corner I'm
Wasting the day, and I'm
Leaving the order for
Sleep-In Sunday

Are you near me or
Have you gone, I'm
Getting weary, you
Lead me on

I hear your voice now
Warm and strong
As you whisper, I
Sing along

Watch my memory

Fading away
Are you with me
On Sleep-In Sunday?
