Sometimes I don't feel alright  
Keeps me shaking, up all night  
and there's nothing I can do  
But I want to talk to you  
This shit's making me feel bad  
I'm so sick of feeling sad  
Why can't I shake this mess?  
Keeps on running through my head  
I can't get out of bed  
stomache's sick, dizzy head  
singing helps alright,  
but i been singing all night  
Trying to open up my eyes  
take some time to realize  
sometimes shit won't feel alright  
got to remember to fight  
off the darkness that comes in,  
sometimes.

Turn that sorrow into something that feels right  
you're a true friend i can count on, when i'm blue  
you pull me up, you dust me off, you pull me through.  
Sometimes looks aren't on my side  
keeps me shaking, up all night  
and there's nothing i can do  
but i want to talk to you  
This shit's making me feel bad  
I'm so sick of feeling sad  
Why can't I shake this mess?  
Always running through my head  
Now I can't get out of bed  
stomache's sick, dizzy head  
singing helps alright,  
but i been singing all night  
Try to open up my eyes  
take some time to realize  
sometimes shit won't feel alright  
got to remember to fight  
off the darkness that creeps in,  
sometimes.

and turn that sadness into something that feels right  
cause you're a true friend i can count on, when i'm blue  
you pull me up, you dust me off, you pull me through.

You're my love  
(wha-ah-ah-oh)  
Yeah, you're my love  
(wha-ah-ah-oh)  
Its true you're my love  
(wha-ah-ah-oh)  
Darling, it's true  
(Doo-doo-doo-doo)
