Oh reckless, a boy wonder, so quiet, nose broken
Oh, you're standing there, look tired as you're singing
And you're on fire, they're throwing punches

So backwards the landscape you thought you knew, it
starts unwinding
Now you're jumping through their hoops
You're just trying to dodge all their questions, they're
shooting bullets

'Cause we all want to hear but you can't, you can't
And we all want to see but you don't, you don't
You are amazing

Oh the horses, suits and ties, they will not hesitate to
trample
You keep moving, stop moving, it's the same
You know that if it is broken they'll try to fix it

It's a shame that, did they get you? they got you
Yeah they might have

Oh you're covering their mouths, they keep on talking
The parade it is coming, I hear them marching

'Cause we all want to hear but you can't, you can't
And we all want to see but you don't, you don't
You are amazing

And we all think we're right but we're wrong, we're
wrong
And we all want to talk and we do, we do
They have convinced you

And it's so shocking, shocking, shocking, shocking
You cheated your fate, now we can't read your face
You are gone

'Cause we all want hear but you can't, you can't
And we all want to see but you don't you don't
You are amazing

'Cause we all want hear but you can't, you can't
And we all want to see but you don't, you don't
They have convinced you
